“ As a long-time family friend of the Kaspers and Ann's maternal grandparents, I send my condolences to Ann's mother, brother and his family, and to her many friends. I always enjoyed my chats with Ann when she was on the Gulf Coast visiting her mother.

“ I was saddened to hear of the news of Ann's death today. I have many fond memories of our times together in high school, Especially our junior year when she saved me in chemistry! I can still see her helping me go through the lab reports . And was always respected and liked, particularly because she had such a sweet spirit. Maureen Tumulty Neihart

“ I am so very sad to hear that Ann is gone. She was one of the sweetest people I have known in my life. We had so many memories, from overnights at each other's houses (green eggs and ham cooked by Rita) to playing tennis (we were both terrible at it), walking and biking to school, visits on Cape Cod, debating whether Dick Cavett or Johnny Carson was better...Ann even wrote my senior yearbook page bio. She will be missed, and we will certainly honor her memory at our next NCS reunion. She was beloved by all of us. My thoughts are with you, David, and your parents. Love, Kate Hersey Dickerson

“ I am so sad and sorry to learn of Ann's passing. I was a schoolmate and childhood playmate of Ann's. I knew her from our gradeschool days and graduated with her from Northrop. She was smart as a whip, funny, and always always always kind. I was so pleased to reconnect with Ann on Facebook in the past couple of years, and delighted to think of her as a librarian. I'm sure she was the best that ever was. Sending love and condolences to you, David, and your mom.

“ I was so sad to see that Ann had died, on the class notes page. My brother John was friend's with David and I was in NCS '76. Our parents knew each other and we lived close to the Kaspers. I just remember Anne was so sweet, and kind, as are you David. David, and Rita, my love to you-it is hard to lose a loved one so close.
