“ Anna Faye always had a smile and sweet hug to share in our chapter of the Florida Sewing Society. She had a big heart, using her sewing skills to support others who needed help. We will all miss her.

“ Dear Anna Faye was a warm, kind person. She remembered me on each of my birthdays with a warmly friendly birthday card and a kind sentiment. I shall miss her warm presence. And, shall keep her in my prayers. Eugene

“ I laughed and cried listening to all the Family stories and how Anna Faye loved. I was first starting out to write it was an honor to attend today's service, but, although way too brief, I did have the honor to meet and talk with Anna Faye at your Family celebrations and holidays. What a truly loved woman she was, and I am overwhelmed with such warmth on HOW she loved her Family, her friends, and the world to be enjoyed and treasured, as God created, and His true intention.

“ I remember being much much younger and being on staten Island. It was a holiday, maybe Christmas. I was a quiet and shy kid. Still I can still clearly recall the sound of her laughing with everybody. It was like music to me, listening to the joyful sounds of talking and laughing family members. I carry these moments with me forever and we will see you soon one day Anna Faye

“ Aunt Faye was my FAVORITE! When she came to Memphis for the funeral of my momma, her sister, Betty, we had a wonderful reunion! She reminded me so much of my Mom and she said my laugh reminded her of her own laugh. And laugh we did! I asked her, “Is there anything of her sister Betty’s that she would like”? She said, “Well, I loved her bright clothing that was by some designer?” We finally figured out it was Lilly Pulitzer so my sisters and I boxed up anything Lilly and sent it down to her! She just loved it! I will remember her smile, her sweet nature, her love for Jesus and I can only imagine the reunion in Heaven! God be with all of her family during this time of loss. “ Anna Faye was such a wonderful person. When I lost my husband, she was the first to send a card and a wonderful book of daily prayers to say. I first met Anna Faye at a sewing group (Florida Sewing Sew-ciety)--she was new in the area and was welcomed into the group. Anna made some beautiful dresses for little girls--she was always will to do anything for the group.
Rest in Peace Anna Faye

“ What a wonderful and perfect tribute that service was - you all did such a great job of capturing what a wonderful woman she was. Growing up my brother and I were about 15 years younger than Tommy and Vinny so to us she was never "Annafaye", we only knew her as "Auntiefaye"! And she always treated us like we were her nephews - the food and gifts and hugs and love.

And when my wife and I had our son what showed up in the mail but two handmade bibs with his name on it that she had taken the time to sew for us. It sounds like those might have been our little taste of "happy gifts". We didn't get to talk often but when we did she was such a sweet, thoughtful, kind and loving person and our family is so sad that she's gone. Great job Genine, Tommy, her grandson (whose name I missed sorry!) and everyone else on such a touching and funny and sweet and perfect memorial for a woman who was those exact things. We will our Auntiefaye!
