“ Tony was truly a remarkable individual. Was always so ambitious and so very kind and caring. His soft spoken voice was always very comforting. He was a true friend and I will miss him dearly and miss our wonderful chats. I will never forget our last chat on his birthday and he he was so full of life and sounded so happy and healthy as I knew he was not so well in the last month. I miss and love you Tony.
May your soul Rest In Eternal Peace.

“ My heartfelt condolences to Mum, Aunty Jean, Jerome, Shamilla, to the other family members and to the close friends of Tony, who stood with him until the very end.

Even though Tony was my ex-husband, we remained very close friends. We would share all our problems with each other, whether it was health, family or relationships, we were always there to listen and help each other through some very tough times in both of our lives.

I never thought that the last time we spoke, when you told me you were going to the hospital, would be the the last time I would hear your voice. You told me everything will be alright, and you would call or text me back. I'm still waiting for your call and it breaks my heart to know, that I will never hear your voice again.

I will miss our chats, your laugh and your very weird sense of humor. But most of all I will always remember and cherish the memories of the good times we had together....

R.I.P my dearest Tony, May your soar with the Heavenly Angels as you look down on every one of us.

I'll always love you !!!!!
