“ This is Christopher's dad Ross, who with Sylvia, used to stop in to visit Christopher and Bruce on our way to and from Nova Scotia every year. I had been after Bruce to visit our so-called Free B&B, which he told me he would do soon. So when he said he didn't get the chance, I would tease him just to hear him laugh. We will sorely miss that stop-over visit with him, but will remember him fondly. Our condolences and prayers to all others who will also miss him.

“ Bruce was a wonderful man. I had the pleasure and honor to work with him many times as Administrative Director at the University of Florida Dept of Pediatrics Jacksonville. He was very caring and always was so kind and made our travel a wonderful experience. He cared so much. My prayers are with his family and friends. May you find peace and solace knowing he was loved very much by those lives he touched.

“ Known Bruce for almost 20 years. He took care of our whole family travel arrangement and did it in such a caring way. We viewed him as a family friend. The University of Florida Department of Pediatrics faculty members in Jacksonville whom had used Bruce as their agent all loved him. We will miss him dearly.

“ It was such a pleasure to know who I will always think of as "Uncle Bruce." I think of his great work ethic and abilities. He always displayed a genuine warmth and love for his family. I will think of his business success and the fun he had with family.
