

## Christine Lynn Fahmy

August 5, 1977 - August 4, 2020

Always in our hearts.

Christine Lynn Fahmy, loving and devoted daughter, sister, and aunt, passed away unexpectedly at age 42 on August 4, 2020 due to a medical complication. She was a resident of Wellington, Florida.

Christine possessed a joie de vivre that was infectious. Those who spent even a moment with her surely shared a laugh, because she had a fantastic sense of humor. Christine was fiercely loyal and protective of her family and friends. She was headstrong, led with her heart, and could fill up any space with her spirited personality. Never shy or awkward in a room full of people, she was known to march right in and take charge. Unlike her older sister who dreaded placing a room service order, Christine dialed and ordered with confidence from the time they were little. Like her father, Christine loved her work as a hotelier, whether managing a small boutique hotel, luxury property, or resort complex. Her colleagues and team members were always her priority. And, like her mother, she loved God, and found great strength in her faith.

Her beautiful life will be forever cherished by her parents, Ibrahim Fahmy and Brenda Fahmy, her sisters Laila and Susan, brother-in-law Christian, and nieces Vivian and Gabrielle ("Gigi"). Christine was blessed to have family all over the world who loved her dearly, including aunts, uncles, and cousins in Canada, Egypt, and Austria. Christine was preceded in death by her grandparents Gilbert and Violet Chenier, and Mounir Fahmy and Aziza Kelada Antoun, and her Aunt, Jody Moore. Christine had a wonderful group of friends who were tremendous sources of joy, encouragement, and comfort. She also found great support and strength from the fellowship of the men and women in AA.

Services by invitation only. A celebration of life will be held at a later date when we can all gather safely together to share our precious memories of Christine. In lieu of flowers, please consider a donation in Christine's name to the Peggy Adams Animal Rescue League of the Palm Beaches. Christine adored her current rescue Oliver and previous

rescue Justin.

God bless and much love.

“ I am so very saddened to have come upon this news. I have so many good memories of Christine growing up on Glen Rutley Circle and then swimming in their pool when they moved to the Golden Orchard neighbourhood after piano lessons with Auntie Brenda. My heart is very sad and goes out to Ibrahim, Brenda, Susan and family. Bobbi-Jo Perisic (nee Osmond)

“ We were very saddened to hear of Chrissy's passing. Our hearts go out to her family. We watched her spirited charm from a baby to when Mr. Fahmy moved from Glen Rutley Circle outside of Toronto, Canada to the U-S, when Susan and Christine were still young.  
For Joelle very fond memories of friendship. Her memory will live on.

“ I am so deeply saddened by the news of Christine's passing. We lived together in college for a year and formed a close friendship. I have so many happy memories of good times with her. Her smile and her laugh lit up every room. I shared a wonderful dinner with her in NYC not too long ago. It was so nice to catch up. We planned to not lose touch again. I am heartbroken and I would like to send my deepest condolences to her lovely family. You are in my thoughts and prayers. I will never forget your sweet Christine.

“ My heart is broken into a thousand pieces. Mr. & Mrs. Fahmy, you raised such an amazing daughter. Christine was nothing short of grace and sophistication. Her love for her nieces was like no other and the pride she had for you, Mr. Fahmy, left every father wishing they could only be as amazing as you. She will definitely leave a void in this world. May your family find peace during this time. She was an amazing woman who will be missed immensely. Rest easy, my friend.

“ I didn't know Christine but send love and prayers to Susan and the rest of the family. I know the incredible, enduring love of sisters and daughters and am so sorry for your loss. Christine is beautiful; may her obviously very big and open soul shine on and give you comfort. Misty Hathaway (a colleague of Susan's in Boston)

“ Christine and I worked together at Westin Copley for several years. I hadn't seen Christine in almost 10 years. We stayed in touch though, always checking in to see how each other were. We last spoke on 8/2. We laughed about our favorite movies and often quoted Napoleon Dynamite lines. I am stunned and deeply saddened by her passing. My thoughts are with her family, that they may find peace.

“ Christine and I were part of the pre opening team at the Westin Waterfront. I have so many fond memories with her. One of my favorite was before we knew each other well, she would talk about Justin. Everyone thought that was her boyfriend based on how she spoke of him. Come to find out it was her precious pup. I had hoped to see her during her trip to the Cape this month and am devastated to learn of her passing. My thoughts and prayers are with her family and loved ones.

“ Christine had a gorgeous light about her. My last memory with her was sitting at Sant Ambroeus having lunch, laughing about life, love and friendship. She was a kindred spirit to me for many reasons and I am blessed to hold her in my heart as a friend forever!

Xo my dear and continue to shine.
