“ Sue - Christy and I had been friends since junior high and high school. We shared some crazy memories, especially of Home Ec class and a wild Wisconsin vacation. Spent time with her at our last high school reunion and kept in touch off and on since then. I was lucky to have had numerous conversations with her in September and October, and then they stopped. I had no idea why until yesterday. Rest in peace Christy. I'm sure you are with your mom and all your special pups at Rainbow Bridge. I never met her husband, but John I am so sorry for your loss.

“ Chris was my friend for over 60 years. She was one of my oldest and dearest friends. We had many adventures over the years through elementary school, junior high, and high school. We both went to college and communicated through snail mail for all of those years. Even though I did not see her often we could still pick up where we left off like no time had passed between us. She had a difficult journey from 6th grade on when she lost her mom right before we started junior high. She was always welcomed by my mom and she held a special place in my family's heart. I hated to see her move to Florida, but growing up with her I knew she hated Chicago winters so I was not surprised. I will always carry with me her smile, her laughter, love of animals, the close ties she had with her family. I have a picture taken with our friend Janet and our moms the last time she was up north for a high school reunion. My mom is now gone and Chris is catching up with her and her mom, Ruth. My heart is sad but I am so grateful for all the experiences we shared. She was one of my best friends and I know she is enjoying her reunion up in heaven! Chris will be missed by many and we are grateful for her having passed our way! Caryn Leaf (Hauser)

“ Christy will be greatly missed at NuVision. She interviewed me for my position here 5 years ago and was a pleasure to work with everyday. She was always kind and cheerful. My sympathies to her husband John and family.

“ The following is a letter that was sent out to the Administrators and Staff:

It is with great sadness that we deliver to you today the heartbreaking news of the death of our colleague and friend Christy Clark. Christy passed away on November

13th. On behalf of all of us here at NuVision Management, we have taken the liberty of sending out to Christy's family our most heartfelt condolences and sympathy. Christy will be deeply missed however we will have our fond memories of her. We are not to grieve her death but rather, celebrate her life. Christy did enjoy life to its fullest with a positive outlook even in sickness. She always had a smile for everyone and was highly regarded by all who had the opportunity to work with her.

Christy joined HBA Corporation in 1978 working on a Burroughs billing machine. Does anyone remember that machine? She took on many roles and positions during her illustrious 40 year career. Regardless of the challenges she may have had in sickness and in health, she loved her job and our Company.

This is truly a great loss to our NuVision Management team. She will be missed by us all. Let us remember Christy each time with a smile upon our faces.

Regards,

“ I am so heartbroken to hear of Christy's sudden passing! I have so many wonderful memories of time spent with Christy and John in Florida at their beautiful home and at dog shows. I also enjoyed visiting with them here in NC on several occasions. I am sending healing energy, light and love to John and her family at this very difficult time. I know Christy was greeted at the Rainbow Bridge by the much loved dogs that preceded her in death. She was a truly compassionate person, an amazing friend and one of the kindest people I have ever know! Rest well dear friend until we meet again.
