“ To the Snow family, I am terribly sorry for your loss! I don't know much about Dale as a man, but the little boy, who was MY big brother was such an adventurous boy...always pushing limits! I remember a boy, with a towel tied around his neck playing Superman and tried to fly through the front door, only to be foiled by the screen! Or the time the fire department had to be called because he got his head stuck in the sewer drain, where he tried to climb in after his truck the rolled in there. He was a fun big brother, and I'm sad we didn't grow up together. I hope you Rest In Peace now Dale. I can stop searching for any news of you and Carolyn, and that finally closes that door. I'll be seeing you both again, my God promises that! I'm including a picture of my big brother and I. Missing from this picture is our baby sister. We three would have been a force if we had grown up together, that's for sure! We never stopped loving you Dale. I think it's important that your famiy knows that!

“ We will remember Dale - gracious in good days and gracious in hard days. Gracious suffering comes only from the Lord. May you find His peace and healing as you walk through this valley. Love, Olga.

“ My deepest sympathy to the family. May you find comfort in the word of God. It is very painful to loss someone so dear. The Almighty God gives us a hope in John 11:25 when Jesus resurrected Lazarus. By means of the resurrection, He will reunite people with their families. My condolences

“ Patti, I was so sorry to hear of Dale's death. Thank you so much for getting in touch with me. I am and will be praying for all of you. I know one person that's certainly happy --- and that's his Mom, Carolyn!!! Can you only imagine the reunion between those two!!! I look forward to that day as well, when I can embrace my son and husband. Please stay in touch and if any of us can help you with the house here, please let us know.

God bless and take care of you,
