“ Our deepest condolences to the family of Hazel Maud Morris. Although I'd heard of "Aunt Hazel" for decades, I first met Aunt Hazel at the homegoing service for her niece Patrice Moncrieffe. Her love for the Lord was evident, and we developed a friendship through that love. I would call her periodically to say hello and to pray with her. Dear family, as you grieve her passing from this earthly life, please remember that to be absent from the body is to be present with the Lord. Your loved one is now happily in the arms of Jesus, awaiting that great reunion. Be encouraged! She is not in your past, but she is definitely in your future. With Love and Blessings.... “ As I sat to speak with my new patient I realized we had some common traits in our background. In completing the interview I asked her about family. She spoke highly of her two daughters Wendy and Jean and randomly mentioned “ I have a niece in NJ who is a nurse”. I pulled back in my seat with my mouth agape and said “Aunt Hazel?”. She was equally surprised. I knew this lady for over 30 years before we met, her niece was my friend and would always speak of her beloved aunt. Over the years we interacted, I found the most pleasant, funny and engaging person. Visiting her to say thanks for a gift also reminded me of the desire to live, love and continue the infinite struggle to be kind, be humble and fight the fight in whatever our afflictions are like a lady champion. Thanks Aunt Hazel.
