“ We miss you Aunt Dolly aka Iceline Mae Chang. I still remeber the inviting times when we went to house on Old Saugatuck Road in Norwalk Connecticut and the times you came to California with Uncle Dee when we went to Yosemite National Park. You were always caring for others before yourself. You and my mom (your sister Enid) can play together again. Kelly B.Brown Jr and family

“ We know this must be a very difficult and demanding time for the family. God assures us that he is thinking of peace towards us to give us a future and a hope. May you draw comfort from our God given hope.
