

## Jane Murray

April 14, 1933 - August 30, 2018

Jane Murray was born in Huntington West Virginia where she excelled through school and graduated at Marshall College. During her time there she met her future husband Dick Kitchen they married and moved to Boca Raton FL where she ran her own Hallmark Card and Gift Store. She then went on to run a pediatrics office in Boca where she was the manager for over twenty years. She had only one child named Susannah. She was an active member in the local Methodist church and had many friends, she was a very kind and gentle soul she loved animals dogs especially. Sadly in her last 7 years of her life she developed Lewy Body Dementia. Year by year it stole from her the things she loved most and to the end all of her abilities. Though through it all she remained a sweet and loving lady. I am her daughter Susannah and I know that my life is forever changed as is her remaining friends now that she is gone, She will be greatly missed but always loved and never forgotten.

“ Thinking of you Jane.  
Always with love.  
I am so happy that you are with loved ones and that your mind is whole once more.  
Smell the flowers, run through the fields with your beloved Lolly Mackie with the sun  
shine on your face. Until we meet again, my sweet girl, Jane. God speed

“ Jane was a true SAINT, not only in her demeanor but most importantly, in her heart . We share many family memories. She will missed by many because she was and is loved by many. Mary Ellen Macdonald Dechert, her cousin

“ Janie was my dearest, lifelong friend. We met at Huntington High and sang in a Quartet together; Even sang in a talent show on Horace Height's TV show. We both attended Marshall College, and then both eventually ended up in Boca Raton, Fl. We remained close friends for the rest of our lives; Janie will remain my best friend forever. She will always be in my heart. I love you, sweet Janie!

“ Scotty, you are her dearest friend. She spoke of you often and you were one of the few ppl she did remember throughout her entire illness. There is a special love, a special bond between life-long best friends that I believe is unbreakable in life and in death. She'll always be with you Scotty, an Angel on your shoulder watching over you, keeping you safe. Until you meet again .  
God bless you Scotty for being such a wonderful friend.

“ Prayers are being lifted for you Susannah ~ she was always such a kink sweet soul. Always so soft spoken. I am so very sorry to hear the news. My dad just sent me a message letting me know. I had reached out to you on facebook. I would love to connect with you again. My mom passed away in May after a long long battle with cancer. She fought so hard and was really not ready to go, but her body had just had enough. She was able to celebrate her 78 birthday with all her family and many friends. Please call or text me! I really understand what you are going through! 214-803-0196  
Blessings,
