

Jeannette Marie Shambo

September 24, 1963 - April 21, 2021

Jeannette Marie Shambo "Good Centered Women" peacefully passed away on April 21, 2021 at Medicana Nursing and Rehab Center in Florida. She was born on September 24, 1963, to parents Henry Rubin Jr. and Theresa Rubin. She is preceded in death to Theresa Rubin (mother) and Henry Rubin, III (brother). She is survived by her husband, Louis Shambo of Florida, daughter Jeanelle (Jolene) Shambo of Kansas, son Louie & Tanisha (Genevieve, Little Louie) of Florida, daughter Jessica (Ogichida) Shambo of Florida, son Leighton Shambo of Florida, sister Ann Rubin of Florida and sister Sandy & Bob (Nicole, Cam, Lizzy, Kenny) Warner of Kansas, She is also survived by her best friends Penny & Brittany Rodgers and Debbie Rue that she thinks of as sisters.

Good Centered Women was her given native name and a proud member of The Saginaw Chippewa Indian Tribe of Michigan. She enjoyed traveling to Pow-wow's to see family, friends and meet new friends and of course sell beads. She loved sewing and beading Regalia for her children and grandchildren. Nothing gave her more joy then going to Pow-wow's and seeing family and especially her grandchildren dress up and dance. Also gatherings at her home with family and friends. Jeannette also took great pleasure in spending time with her girlfriends out celebrating life. Jeannette considered her greatest treasures in her life to be her Husband, Children, Grandchildren and close friends. She had much love for her Shambo relatives out in Montana and will be greatly missed by all. Her irresistable smile, laugh and kind heart will be most remembered and held close by the hearts of those whom dearly love her.

If anyone ever needed a place to stay or a hot meal, Jeannette was the first without question to help others. Many people were blessed through her hospitality and love.

The person that she holds by far closest to her heart, is the true love of her life, her husband Louis. Jeannette met the love of her life in 1983 while attending Haskell Indian Junior College. They dated and were inseparable from then on. Always encouraging her, standing by her, cheering her on. He is the rock on which she leaned on.

In lieu of flowers; the family suggest donations to The Juvenile Diabetes Organization in Jeannette's memory. The site is <https://www.jdrf.org>

Jeannette's wake will be help privately.

“ Jeannette and I worked together in the jewelry department at Kohls and with Jeannette, it was never boring! She had a quick wit and sassy sense of humor that kept it fun, and she was always willing if I needed help covering a shift. She shared photos of Pow-wow with me and was so VERY proud of her family and her heritage. I came in to work one day wearing a new pair of shoes that were black patent leather oxfords that had tassels at the end of the laces. Jeannette called them my "Michael Jackson" shoes and she loved them so the following Christmas I bought her a pair. She was so cute the day she came in to work wearing them!
I am so sorry Jessica for the loss that you and all of your family are suffering right now and my thoughts are with you all.

“ Rambo had the spirit, heart and deadpan humor that will be cherished. The only wow I have experienced and the love in her face while there, well special and from the soul. Our thoughts and prayers are with you all as you move forward without her in your lives. May she rest in peace. Toni and Stephen Walker
