

Jonathan Robert Kuncl

February 24, 1983 - February 25, 2022

Kuncl, Jonathan Robert of West Palm Beach passed away on February 25, 2022, at the age of 39. He was born on February 24, 1983, at Good Samaritan Hospital, son of Audrey Kuncl.

He attended Wellington schools and graduated from Wellington High School in 2001. Jon was very intelligent, well mannered, fun loving, handsome, and hard working. As a child, Jon enjoyed playing many different sports such as baseball, karate, and hockey. He was also very curious about how things worked and could often be found taking apart different electronics just so he could investigate its parts and how they worked. As he grew older, he enjoyed hanging out with his friends, fishing, surfing, and skateboarding. Jon graduated from FSU with his engineering degree and landed a job as an engineer right away. Shortly after beginning his career, Jon went through a very difficult time after losing many people he was close to; however, he was elated to be starting a new chapter in his life with a wife and eventually 2 beautiful little girls. No matter his age, Jon's real love was being with his family. He was close to his mom, sister, cousins, aunts, uncles, and grandparents. He was truly everyone's best friend. There are no words to describe how much he will be missed.

Jon is survived by his wife Meredith, his two daughters Evelyn and Charlotte, and many other family members. Jon was preceded in death by his mom Audrey, his sister Nikki, his uncle Vik, and his grandparents Catherine and Jack.

Services are being handled by Palms West Funeral Home in Royal Palm Beach. Memorial Gathering will be on Friday, March 4, 2022, at 10:30am and services begin at 11:30am.

Jon you were like the little brother I never had and shared so many incredible times with Me and my family. You were the most incredible Godfather to Adrianna and the Best BROSKI ever to my son Jack. I have laughed a lot in my life but never as much and hard as I did with you over these past 2 decades. I will always have incredible memories of Kuncl Family parties with you, Reed family vacations, BrassRing Trivia Thursdays, Howard Stern secret language that drove Paula nuts but brought us both so much joy, running full speed at me with a black Tshirt on your head, and so many more. You will go down like Gramps and Vic in KUNCL family legend. I know how much love you had for Meredith, Evelyn and Charlotte and my family will do all we can to continue to poor that love in to them. You will be missed more than any words can ever imagine and I promise to keep your spirit alive in all the ways that were important to you. Rest easy my friend and make sure to hit em with the Hein up in heaven. As Eric the Actor would say "bye for now"

Missing you more than you can imagine,

Mike Reed

It was such a great day when you became part of our family. We had years of fun and you gave our families two of the sweetest girls in the world. We love you and you will be missed forever and always.
