

Kay Frances Autwell

September 25, 1934 - March 22, 2020

In memory of Kay Frances Autwell September 25, 1934 - March 22, 2020. KAY was born in Gadsden Alabama and made Florida her home many years ago.

She was a regular social butterfly, she loved people and was interactive wherever she went greeting perfect strangers on a regular basis. She also loved kids and did a lot of babysitting over the years. Although she never drove a car she got around by walking or on the bus, she was not one to stay still . The local business owners in her orbit always welcomed her and she brought a smile to their faces when she came around .

At her Publix she was called the mayor of Publix by the staff from the pharmacy to the manager she was beloved and by the patrons as well. She was a woman who left an indelible mark on other because of her infectious and feisty personality.

She is survived by her son Byron, daughter-in-law Elise, grand-kids, Justin, and Josh, and great grand-kids, Aidan, Chloe, and Abigail.

You are in our hearts forever.....We love and miss you.

“ Grandma Kay was the absolute sweetest & most thoughtful lady. Even though I am not her blood grandchild, she never made me feel that way. She showed she cared - she'd chat with me and ask how I was doing. She considered my brother & I come holiday time and gave us nice cards often times with a little cash inside, when really she didn't have to go out of her way to do that. That was straight from her heart. She was an angel here on Earth. Her personality was awesome, especially her sense of humor! I will miss her dearly. I hope she is wrapped in Carmine's arms up in heaven surrounded by all the love, peace, & joy one could imagine. Lots of love, thoughts, & prayers to Uncle Bruce, Aunt Elise, Justin, Kelly, & Aidan, and Josh, Caitlin, Chloe, & Abigail, and all of Kay's other loved ones.

May God and the caring love and thoughts from others help you to get through your sorrow. “A mother is with us always, first in her lifetime, then forever in our memory.” Kay from what I heard, your memory certainly will always be with your family & friends.

“ A beautiful light has left our earthly realm. When Kay entered a room her smile was contagious. She always seemed to have a bit of mischief behind her laugh. Her smile and laugh will most certainly be missed. She was blessed to have a son and daughter in law who loved her, cared for her, included her, watched out for her and in the hardest times, never left her. Our condolences to all as she will be greatly missed
