“ Keith, Jill and Barbara, Jack and Lorraine were very special people when I got introduced to them they made me feel so comfortable. Every time Skeets and I went to Florida we would get together with them all the time and go everywhere together we all had a lot of laughs! When we were invited to their house to sit by the pool and watch football, baseball games it was so nice just to sit and talk. Then the phone would ring and it would be the family and their eyes would light up just to hear your voices. Then there was the trips they made back to NJ and the cruises we heard about them all. They were so proud of you all. They both had a very special place in my heart and I am honeyed to have known them. In times of sorrow that you are feeling now just think of the good times as well. My thoughts and prayers are with you all. So very very sorry for your loss. Love Ann

“ We know this must be a very difficult and demanding time for your family. You have our deepest sympathy. In times of distress we need comfort that soothes our hearts. May the peace of God guard your hearts. With caring thoughts.

“ My memories of my Aunt Lorraine were when she lived in New Jersey right around the corner from my grandparents and we used to visit and swim in her pool. We would always spend our holidays at my grandparents with all of the family when we were young. She would always be there with my uncle and cousins. Then as I got older my husband and I would visit her and my Uncle Jack in Royal Palm. She would always make sure she took us out to eat. Which we would always try to pay , but she was stubborn and would not allow it. She always said it would hurt her feelings. My sister Tracey and I would always go visit her when Tracey would come down to visit us. We would always make it a point to go see her and love up on her. She was and will always be a special Aunt to us. She will forever remain our hearts. I love you Aunt Lorraine. Rest in paradise with Uncle Jack and John, and your parents Grandmom And Grandpop Fabiny. Til we meet again.
