Continue to rely on God and know that he hears your prayers, because he cares for you. Truly sorry for your loss.

“ I have the fondness memories of Uncle Lou. Especially as child, seeing him, my grandmother, my uncles and aunts, and cousins at family get togethers. My siblings and I felt incredibly loved by all of them. Memories I will cherish for the rest of my life and share with my son.

Thanks Uncle Lou for calling me a month after the loss my family had endured with the passing of our father in June 1994. Your spiritual advice and faith gave me hope for the future and helped me with my grief.

Godspeed Uncle Lou
