

Louise K. McKenna

June 5, 1945 - May 27, 2022

On Friday, May 27, 2022, Louise (“Weezie”) Kelly McKenna, beloved mother, sister, aunt, and wife, passed away at the age of 76. Her death was sudden and unexpected. Her family and friends are deeply saddened by her passing. Anyone who knew Louise understood what a kind, caring, and generous person she was.

Louise was born to George Skovran and Mary Marcinek on June 5, 1945, in Georges Township, Pennsylvania.

After High School Louise and her friends moved to Washington, D.C. to pursue careers with the Federal Government. She often shared entertaining stories of her experiences while living and working in the nation’s capitol.

Louise retired from Palm Beach County with +30 years of service. She enjoyed working for the County and was a proud Golden Palm Award recipient. She built many lasting friendships with her former County colleagues.

Louise spent her free time reading, scrap booking, and paper-crafting. During many holidays Louise would craft hand-made one of a kind greeting cards for her friends and family.

Louise was a faithful member of Mary Immaculate Catholic Church. She often volunteered at church functions and events.

She is survived by her sister, Delores F. of Hopwood, PA; husband Ronald; her son Steven his spouse Christine; and her step-children Frank, Ruth, Brenda, Travis and their families.

“ Weezie, You can now rest peacefully. Although we worked together, I loved getting to know you and the other ladies when we started our Girls Night Out at my house, really for Bonnie's benefit. It was truly some really great times. I also remember dressing in costumes for the Halloween parties at the office - you had some great ones. You always talked about your Steven. Another great time was when you and Ronnie came to our 'camper' after hurricane knocked our power out. We had dinner in our popup camper plugged into the generator - it was soo nice and cool. It was late when we realized it was past curfew and we laughed at saying, I will be ok as I'll just tell them I am the County Administrator's assistant:). Thank you for being such a great friend to many. --- Barbara Wheeler

Steven, Christine, and Ron and family, I am so sorry for your loss. May God give you peace and strength as you encounter your loss. Louise was one of my best friends. She was always so bubbly and funny and her smile would brighten any room. She was a true friend. I will miss dearly miss her. I had been texting her at the rehab and speaking with her on the phone constantly because she was so worry for Ron. I tried to giver her all My support and encouragement. I told her she could call me at any time if she needed me. I tried to come visit her twice, but in both occasions she was not feeling well and asked me to postpone my visit. I wish I could have been able to see her. I still have books, crossword puzzles and unsweetened chocolate cookies I was suppose to bring her. May she RIP and be in heaven. I love you Louise, and I will never forget you. Steven, if you need anything thatl can help with, please do not hesitate to call. You have my text messages on her phone. God be with you, Christine, Ron, and your family. 🙏❤️
