

Maria Elena Vazquez

November 25, 1957 - October 14, 2017

On the morning of October 14th, 2017, our beloved mother Maria Elena Gonzalez Vazquez took the hand of Jesus. On this earth, she was a woman full of grace and unyielding strength. Her smile lit up every room, and together with her love, was an overwhelming presence proving the validity of passion she had for her family. The family she leaves behind is a testament to her amazing life and the dedicated mother she was to her children.

She was born in Havana, Cuba. She lived in New York City after moving there as a child, and eventually moved to Florida following her marriage to Roger Reinaldo Vazquez. She had a passion for dancing and never went a day without listening to music. Some of her other favorite activities were to spend days at the beach with friends, family and her children. She would always be found in the kitchen and found great joy in bringing family together around the dinner table.

She would end each and every night after a fulfilling time of dancing, and socializing with friends and family at the beach to see the sunrise. Her real reasons for doing this we believe she kept to herself, but now as she grasps the hands of our beautiful Lord and Savior, it truly gives us comfort knowing that he is giving her the answers or knowledge that she was possibly searching for. And if it was just simply for the beauty that she loved to witness, then I am sure he is giving her front row seating for all eternity.

She is survived by her daughter Jessica Fatima Williams, and sons Roger Luis Vazquez and Christopher Julian Vazquez. She had eight grandchildren, Ariana, Julia, Joshua, Sophia, Isabella, Laila, Luis, and Christopher. She also has two surviving sisters Maria Puzino and MM Cristina Gonzalez.

Comments

“ How do I start? There is so much to say about this wonderful woman. She was so courageous, beautiful, spunky and one of a kind. She always had a smile on her face. I loved Maria as if she were my own mother. I did not see her often but she always made me feel like part of the family. She always greeted me with hugs and kisses. Being one of Roger's friend, I met her when I was 14 years old (over 25 years ago). She will be greatly missed by all. Her spirit was so strong that she will live forever in her wonderful children that she raised. Jessica, Roger and Chris, I love you guys and will always be a phone call away. Rest in Paradise, Maria, I love you!!
