Marie France Johnson

July 23, 1940-June 20, 2020

Marie “Fran” Frances Johnson, 79, went to be with the Lord on Saturday, June 20th, 2020 at her home in Wellington, Florida. She was a beautiful and kind wife, mother, grandmother, and friend who was dearly loved and will be greatly missed.

Fran was born on July 23, 1940 in Queens, NY to Daniel McCafferty and Pauline McConville. She was the eldest of her 2 beautiful sisters Margaret and Maureen.

Fran and George met while he was a police officer in Brooklyn. They met at the courthouse in January of 1971 and George was in love at first sight. He refused to take no for an answer when asking for Fran’s number. They dated for one month before George “popped” the question. They married on July 10th, 1971. They would be married 50 years this July. They went on to have five children together, Brian, Kevin, Kerry, Michael and Colleen and seven grandchildren, Colby, Katey, Brady, Emmy, Bryce, Aubrey, and Charley.

Fran and George raised their children on Long Island where they spent most of their time devoted to their children’s sports and coaching on the soccer fields. They moved to Coral Springs, Florida in 1996 and then to Wellington, Florida in 2012 to be closer to their children and grandchildren.

Fran had a gentle soul and will be missed dearly. She is now our angel in heaven.

A mass service will take place on June 30th, 2020 at 11am at Saint Rita’s in Wellington.

“ My mom was good friends with Fran when I was young. Our families did many things together. My parents are godparents to Colleen. So sorry for your loss. I remember your mom had the most beautiful blue eyes.

“ So many memories to choose from but I could not possibly remember growing up without thinking of Fran and her amazing smile and laugh. She always gave of herself and her contributions to our community and the East Islip Soccer Club could never be forgotten. Everyone was always welcome in your home and she never complained about noise, mess, just as long as there was fun! A wonderful person was lost to us on earth but heaven gained another angel. May you all find comfort knowing she will forever smile down on you.

“ She was the most kindhearted person ever. Early on in the East Islip Soccer Club we use to have End of the Season Dinners at Colony Hill. Fran was always in charge of obtaining all the raffle prizes. It took us all a while to figure out she obtained all the raffle gifts she did. We all finally realized that she would bring all 5 of you into the local business and let you loose. The proprietors finally ended up giving her everything she asked for just so she would take all of 5 of you and leave. Once when we attended a tournament in Reston, Virginia, Jim drove your station wagon with all five of you and our two boys down to Virginia. They went to the field, all the kids played their games and your mom took all of the kids back to the hotel and left poor Jim at the field with no ride back to the hotel. This was before cell phones so he had to scour the field till he could find somebody from the East Islip Soccer Club to give him a ride back to the hotel. So many memories that bring a smile to my face when I think of them. Heaven has gained another angel.
