“ Jim, I was so sorry to hear about Marilyn. You were great neighbors in the Burgh and I have fond memories that I will cherish. I grew up on top of that hill behind you and remember sharing a lot of stories about my Dad. Having a beer while Marilyn enjoyed her beverage of choice and a smoke. I was very sad when you moved to Florida. Good neighbors and friends are hard to replace. Take care my friend. May Marilyn rest in peace.

“ Jim, Diane, Carol and families, I am so sorry your dear Marilyn was called home. Although she led a long, happy life, I know we are never really ready to let go of those we love, especially someone so full of love and laughter as Marilyn. I am especially sending prayers of comfort for you Jim, I cannot imagine how you must be grieving in losing your life partner. She was very special to me, you two were a precious link to my childhood and to memories that I cherish. You always made me laugh. (Marilyn would imitate "Harold Bill" up the hill). I appreciate your love and interest in my life over the years; you were a second set of parent figures for me. I wish I could be there to comfort you. Diane, I cannot tell you how much I appreciate your call. I know your Mom was a huge part of your life, she will live on in you, Carol and her grandchildren. Find comfort in the memories and her sense of humor. I will remember her always.  
Love, Judy Apple
