“ I would like to say I am very sorry for your loss. I have known Mike for 15 years. He was a good man, he was a hard worker, and he loved Cheryl more than anything. He will be missed here at work. God Bless and stay strong.

“ Mike liked this Irish saying.

May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand.

“ Saying goodbye is never easy. But it’s something that our family has oddly been doing a lot of lately. It’s crushing to lose so many in so little of time...Uncle Pat, my father, Aunt Linda, my mother, and now Uncle Mike. Leads one to understand how very fragile life is. So, love, live and enjoy those around you. Uncle Mike would have wanted us all to remember his heart and his personality.

*Until we meet again,
Love always,
Robert Magee*

“ Thanks Uncle Mike for being the support my sister and I needed throughout our lives. Take care of Aunt Cheryl and us each an everyday until we meet again. I’m glad I got to see you in the recent years as much as I did. You always brought laughs and knew how to give constructive non bias advice even if it’s something I didn’t want to hear. Tell my Dad, your sister Linda, and Brother Bobby I said Hi and I miss them too. You all will always been in my heart.

“ I’m struggling to find words that express the loss of my friend of nearly 50 years. I have sat at his kitchen table before walking to school everyday drinking coffee with his family. We all played football in the dead of winter the ground was frozen here in New York, Mike played front line because he was big and tough and played hard. Mike also shot a good game of pool we all use to play pool when we got together everyday. There are so many things we did together I can’t write them all, but I remember them all. We all took different paths as we got older and maybe didn’t speak for many years but for some unknown reason we have a special bond with each other. It seems like we were together yesterday after all these years, I love you like a brother Mike, and will always remember the times we spent together. I was also glad you found your sweet wife Cheryl and you were happy. God speed brother Mike MaGee see you on the other side. Chris Q.

“ Uncle mike- you will be greatly missed by so many. I have an extra special love for Christmas and you are a big part of that. Something I will never forget. You helped me believe in the magic from such a young age and the magic is still very much here to this day. I’ll never forget the excitement and joy that ran through me every Christmas Eve. Not knowing at the time but You Got on that roof with bells and pretended to be Santa and his reindeer as we pretended to be asleep in grandmas bed so Santa would deliver presents. I also have a photo of me at grandmas house on the phone with Santa (you) again keeping the magic alive. Thank you for that. I know you will be looking over everyone especially Cheryl who needs you the most right now. You will forever be with us.
P.s keep an eye over my dad.
