“ *Ada. We just want to tell you how sorry we are for your loss. You are in our thoughts and prayers! I have known Mike and the whole Salmon family my whole life and i have seen him touch so many lives in that time. My parents adored him. He worked with my husband and they created a great friendship. He always had a great sense of humor. He overcame many ups and downs throughout his life and always seemed to keep that smile. I cant tell you how much it meant to us when the two of you drove for hours to spend time with us at Disney or stopped in to our home during your travels. I think your son Chris said it well. You found each other at the right time in your lives. I was always in awe of the love and affection that radiated off of the both of you for each other. May God Bless you and the whole family in this difficult time. You are in our thoughts and prayers!!*

“ Papa Mike was in our lives for a reason, he fulfilled my mother's heart with unconditional love, I believe they came into each other's lives at the perfect time , the love and admiration they had for each other should be the cornerstone of every relationship. He was such a kind giving man who always made sure his family and friends were comfortable and happy. My heart is truly broken, the time we spent together was always filled laughter, our discussions were always entertaining. I will miss your wisdom as a man, father, husband, I will miss your amazing cooking especially your ribs. I will miss you , my father . Fly high Mike , no more pain no more suffering. Love you
