Nancy Mirella Wester

Nancy Mirella Wester, 64, of Lake Worth, Florida passed away unexpectedly Wednesday, December 29, 2021. She was born on June 12, 1957, in Santa Clara, Cuba, to Rigoberto Ruiz and Lilia (Morales) Fraga. She was a beloved Mother, Daughter, Sister, Cousin, and Friend to many.

Sveral years after her birth the family relocated to Belle Glade, FL where she spent her childhood. She made great memories with her friends and family spending every summer on the beach bathing in the sun. She attended Glade Central High School and graduated in 1976. She married Robert Wester Jr. on December 13, 1980. She had her firstborn, Robert B Wester III on 11/27/1981. Her daughter Krystal N Wester was born on 11/19/1987.

Nancy was an exceptional natural-born leader, devoted Catholic who was proud of being an exceptional homemaker, raising her children, taking care of her husband, and most recently spoiling her grandchildren, who lovingly called her Mimi. She was the rock of the Wester family! Taken from us by the Lord too soon, her family will always cherish the years they were blessed to have with her and will celebrate the life she was given and the love which flowed through it.

Nancy is survived by her husband of 41 years, Robert B. Wester Jr., her son: Robert B. Wester III, daughter: Krystal Wester, 4 grandchildren: Robert B. Wester IV, Sophia Endicott, Leviticus Endicott, Preston Endicott, mother: Lilia Fraga, brothers: Rigoberto Ruiz, the protective older brother, and Isidro Fraga, her baby brother, as well as a multitude of loving, aunts, uncles, nieces, nephews, and cousins who will miss her dearly. She is predeceased by her father Rigoberto Ruiz, grandparents, Zoila & Jesus Moya, Marcelino & Maria Morales, Uncles Humberto Moya, Alejo A Morales, Ridelto (Rusty) Nodal, Cousin Rusty Nodal, and nephew Emilio Perez.

We would like to thank everyone for their prayers as we navigate through this difficult time in our lives.

“ I haven't seen Nancy in many, many years but we recently reconnected on FB. She was just as sweet, caring, complimentary and funny as always. Lee and I used to stay at Nancy and Rob's house when we were teenagers from time to time and she was so welcoming and entertaining. One night, Lee and I locked the keys in the car when we were in WPB. We had to call Nancy and Rob to come to our rescue. If I remember correctly, I don't think Rob was very pleased but Nancy seemed to be more understanding and happy to help us. She was absolutely one of a kind and such a joy to be around for everyone. Anyone who knew her and called her friend was truly blessed. I hope these wonderful memories help the healing process for the family. We will all see Nancy again someday. Much love to her beautiful family. 🙏

“ Where could I start? So many good things to say. I was fortunate to have her as a part of our family...it may be distance family but still family. We are inlaws, and what a rarity to have one's that you love and enjoy. Nancy was funny, fun and loving. I have to admit sometime when she would get "fired up" her cuban side would kick in and all of a sudden we went from a conversation to, Im not exactly sure of what she was saying, lol... so I would smile and agree! LOL 🤪 Nancy definitely loved her family, her husband Rob, her kids and our grandbabies. That is a something we shared, seeing both of our childern come together into little people, another living soul and spirit. She loved her Sophia, little Robbie, Leviticus, and Preston so much and showed it in so many ways. She would face time them when she wasn't able to travel, or just to say "Good Morning" and I have personally seen her sit on the bedroom floor and play with them even when she was sick.

A few weeks ago was her and Rob's 40 or 41st anniversary, I believe 45 years together total and I remember thinking to myself, wow! Do I know anyone today that can say that, or ever, be able to say that? Who can make such a claim??? All of us who are married or have ever been married know what an accomplishment that alone is. She wore so many hats, as Wife, Mother, Sister, Aunt, Cousin, Caregiver, daughter, Meme, and Friend. Love is a choice and Nancy chose to love! I am grateful for it because even now that she has went on to be with the Lord, Nancy's love lives on in so many of us, in so many ways! To Robbie and Krystal, when you look in the mirror you shall she your Momma. ❤️ Thank you Father God that you have received her into your kingdom, for now it is our loss, but definitely your gain. 💖👼💖

“ Nancy was the one that was always lit up a room! She was making everyone giggle and at the same time she was taking care of everyone; she loved BIG! She was extremely proud of her family and loved those grandbabies more than life itself. I will never forget her laugh, her texts to check in on us and the most recent text where we talked about our faith. She will be greatly missed but never forgotten. She will live on through her friends and family. It gives me comfort knowing she is healed and in heaven with Jesus. Sending hugs, love and prayers for all of her friends and family.
