

Natale Anthony Passaro III

April 29, 1966 - August 7, 2021

For as long as I can remember my brother always wanted better for himself I remember my parents telling a story that when he was just two years old... his first word was "motorcycle". Got to tell you a little bit about the kind of man he was. One time I saw him make a collage of items he wanted for himself and within two years, he got them. He loved life to the fullest. He loved telling stories and making jokes and making others laugh. Some tell me he was the sweetest guy they ever met and I replied "My brother?". He was an old soul who believed in old traditions. Mostly the Italian ones. His favorite person in the world was grandma Lena. He loved his mother also but, she was his heart. I do pray that they are together and found happiness. In our own way we can celebrate the life of Natale Anthony Passaro. He is loved by his nieces, his nephews, and most of all, his sisters.

“ Natty was a Great friend of mine through the years and we use to go out clubbing back in the day and he was the light of the Party with his Strong Italian ways. After hitting The clubs we would hype up and go to this 24 Hr Gym in Boca and slam some weights around. I was away for awhile but reconnected about a year ago out at Hard Rock. Natty had a good heart providing you were in his favor by being (Solid) Natty will be missed by those who truly knew him. May Natty be reunited with his Mother and be at Peace with The Lord. Beyond his thug like ways he was a believer and had Faith. May God bring Peace to those who loved him by knowing that he wouldn't want anyone to be sad but rather see him reuniting with his Beloved Mother. Much Respect & ❤️ M&M Mikey
