

## Richard Anthony Toledo

December 8, 1970 - February 4, 2022

Toledo, Richard Anthony born 12/08/1970 at Balboa Naval Hospital, San Diego, California. Our beloved son Richard left us too soon on February 4, 2022. Richard was one of two miracle sons the Lord Blessed us with. From the day he was born he brought laughter and joy, not only to us but to all he met. His smile lit his whole face and he had a way of drawing people to him. His oldest son Jordan said it best when he said his Dad was always the coolest Dad in the room.

Richard in his younger years was an avid skateboarder, he with his brother and several friends built a skateboard ramp in our backyard that took up the whole yard. Everyday he and the gang would get together after school and on the weekends the BQ and boom boxes were going full blast. Metallica was one of their favorite bands. As an adult Richard was to become a wonderful caring Father, his children were the most important part of his life. He most recently worked for Famous Footwear, managing the store on Lantana Rd. and Jog Road. His employees were treated like family and he cared deeply for them. Laughter and fun were his watchwords, seeing the best in everyone is how he lived his life.

Richard is survived by his 3 children, Jordan ( fiancée Val) Emma and Rhys, his younger brother and best friend Michael, his parents Tony and Gail, his Godparents Rey and Jane Morales and a host of family both here in the US and the UK. A funeral Mass for Richard will be held at St. Therese de Lisieux Catholic Church 11800 Lake Worth Road, Wellington, FL 33449 at 11:00 AM February 14, 2022. In lieu of flowers the family requests donations be made to Trustbridge Hospice of Palm Beach who cared for him at the end.

“ Gail and Tony no words are adequate at this very sad time. No parent should have to lose their child. Richard was a handsome, funny and sociable young man. I say young man because that's what he was when I last visited. I remember he took Bobby and I on a picnic to North Beach Miami. We went to Publix and he bought subs for the picnic. He was so funny we had a lovely day. He was a really good Dad to his three children.  
All the people whose lives he touched will never forget him.

*A beautiful man, sleep tight Richard.*

*My thoughts and love to you all.  
Love Carol xxx*

*I didn't have the pleasure of knowing Richard only Gail and Tony. But thru their love for  
him it is so easy to see how wonderful he must have been. For Gail and Tony and his  
sweet children  
You can shed tears that he is gone,  
or you can smile because he has lived.  
You can close your eyes and pray that he'll come back,  
or you can open your eyes and see all he's left.  
Your heart can be empty because you can't see him,  
or you can be full of the love you shared.  
You can turn your back on tomorrow and live yesterday,  
or you can be happy for tomorrow because of yesterday.  
You can remember him only that he is gone,  
or you can cherish his memory and let it live on.  
You can cry and close your mind,  
be empty and turn your back.  
Or you can do what he'd want:  
smile, open your eyes, love and go on.
