“ Our neighborhood lost our most beloved man and friend. Since I moved in at Kemps Bay over 5 years ago, I saw Bob almost every single morning, when I passed his garage with my dog, Spirit. Spirit, who is shy towards all other humans, would not pass until Bob rubbed her head and called her name. I feel deeply sad that we have lost such a wonderful neighbor who was an inspiration of goodness and kindness.

“ Bob, we will miss your smiling face I can always remember seeing you seating waiting in the clubhouse at Andros Isle waiting to pick up your Prince Mary, after her painting classes. “ Bob was literally the nicest man we ever met. He was thoughtful and funny, kind and helpful and spent a lot of time looking out for his family, friends and neighbors. If you count Bob Albert among your friends, you are lucky indeed.

I think his greatest joy came from saying something quietly with a very noticeable sparkle in his eye.

We loved him, our whole family loved him, and we will miss him tremendously. Our love to the entire Albert family. Laurie and Jessica

“ We moved in across the street from Bob and Mary a couple years ago, and were told of our new very kind and faithful neighbor. Bob would take trash bins back to the garage door of his neighbors homes after trash pick-up, and many neighbors relied on him to tend to their homes when they were out of town. He kept an eye on our street from his garage, and I always felt such a sense of security fro his waves to me

from his seat in his garage as I came and went from home.

He was surely a blessing to all who knew him. I am grateful to have crossed paths with him on this earth, however briefly. God has him in His loving care, of that I am certain.

Praying comfort for his family who are grieving the loss of such a sweet man.

“ Heaven has gained an amazing angel. Papa was the most kindest, loving and gentlest man I have ever known. I was blessed to be able to call him my Papa. I have so many loving memories of him. From him taking me to the local hardware store to buy me toys, his amazing scrambled eggs, the endless family gatherings, his warm smile and his hugs and kisses. He was always there for everyone . Today is such a sad day knowing that I to have to say goodbye to him. But he will forever live on in my heart and mind. I know that he will be looking over myself and my family. I love you Papa

“ My father was one of the nicest people you could ever have met! He was also the best father anyone could ever hope for! He made my life full of love and will be dearly missed by all! In my heart I know you are strong now and enjoying time with Harold, Paul and Martha and reunited with grandma and grandpa and probably playing cards with grand pop! Till we meet again you will always be in my heart. I love you and miss you!

“ It is so hard to imagine my life without Bobby. We had numerous times to remember as a family. My love and prayers to Mary, Gary, Sharon, Craig and their families. It was truly an adventure being a member of the Albert family. Paul and Bobby were not only close as cousins but friends as well. I will miss him so very much. Alice
