

Robert "Bob" Richard Liebmann

December 10, 1948 - May 15, 2019

To have known Bob is to love him. Known for his constant smile, warm blue eyes, humble demeanor, kind heart, and thankful spirit, Bob always seemed to see the best in others. He valued hard work, loyalty, his relationship with Jesus Christ, family, and helping others.

Bob was born on December 10, 1948, in Miami, Florida to Richard and Mable Liebmann. He grew up in Miami where he enjoyed playing guitar, working on cars, playing football, boating, water skiing, fishing and singing with Youth for Christ.

Bob graduated from Miami High School and went on to attend Miami Dade Community College. Bob worked as an auto-mechanic before attending Miami Fire College. He graduated fire college on May 10, 1973, upon entering his long-standing career as a City of Miami Firefighter. Bob aka 'Smiley' as they called him at the station, faithfully served the City of Miami Fire Department for 30 years from 1973-2003.

Bob married the love of his life, Beth or 'Bethy' as he called her on March 7, 1975, and faithfully loved, cared for, and supported her for 44 years. Together they had two amazing girls: Laura and Leigh who were Bob's pride and joy.

Throughout Bob's life, he faithfully served the Lord through various ministries in the church serving as an Usher for the majority. In his later years, Bob enjoyed playing golf, working with his hands, venturing to the mountains of Boone, North Carolina, days spent in his boat on the water, and quality time with Beth, Laura and Leigh, or as he referred to them, 'his girls'.

Bob radiated warmth, kindness, love, and compassion to anyone fortunate enough to encounter him on this earthly journey. Bob's ever-present smile and spirit will live on in every life he touched and through his beautiful legacy he has left to his family.

To have known Bob is to love him. One of Bob's dearest friends said it best. 'Bob was one of the good ones.'

--

A Celebration of Life service will be held to honor Bob's life on Tuesday, May 28th at 11am at Christ Fellowship, Royal Palm Campus: 9905 Southern Blvd, Royal Palm Beach 33414.

To honor Bob, in lieu of flowers, friends may wish to make a memorial contribution to support Wellington Cares or Place of Hope at the links below.

Wellington Cares: <http://dev.wellingtoncaresorg.com/giving-2/#donate>

Place of Hope: <https://www.placeofhope.com/donate/>

Comments

“ Growing up with Leigh I feel like I have so many memories of Mr. Liebmann and his ever present smile and upbeat attitude. But the memory that continues to stick out in my head and keep me smiling and giggling to myself when I think about his passing and how I wish I could be close to my friend right now is the one time that I saw him NOT smiling. (Leigh, I hope you remember this the same way that I do!) Leigh was the first to get her license and we were all SO excited. We spent the afternoon cruising around in the Ford Focus and loving life - not a care in the world...until we got back to the Liebmann house. All of a sudden from inside we could hear Mr. Liebmann SO mad at Leigh because he had placed a vacuum in her trunk as a test to see if she was driving responsibly. Apparently the vacuum had taken a few tumbles in the trunk and he was NOT happy. I remember all of us girls looking around at each other with shocked faces saying “I’ve never heard Mr. Liebmann not be happy and jolly!” It’s funny now - but wasn’t at the time! I hate that one of my favorite memories was at the expense of Leigh getting in a little trouble but it has been one to stick with me through the years.

I love you Liebmann family and wish I could be there to give you all hugs this week. Sending all my love from Indiana.
