*It is so hard to believe that he is gone, frankly he was the only brother I knew, the only brother I had. My condolences to Jenifer Sedrina and Jarrell it took the wind out of me so I can imagine what it has done to your home. Sedrick, from what I can, remember was always an optimist, never afraid to speak his mind, firmly rooted in principle and always believed in family, he symbolized the position of a Griot, and today we have lost a person. My his soul rest in peace as he moves on may we all find the peace within and the strength to carry on.*
