“ Sue and I became close friends when we worked together at Roto Rooter at least 30 years ago. She was a great friend, so kind and we laughed together all the time. Life took over and we didn't see each other but a couple of times the last few years....I just learned of her passing and I am so sad. She will be forever in my heart. Rest In Peace, my dear friend.

“ We've been blessed to have Aunt Sue grace our lives. As Brenda stated, always a smile, always willing to assist, an encourager. She's healed now, we'll miss her, until we meet again. Prayers for comfort and peace to her precious husband Jake and her two awesome sons, their wives and families.

“ Sue trained me when I came to work at CILO. She was so helpful. After a year and the executive director asked her if she thought I could work with the consumers, Sue supported the decision all the way. She defended me when I received a hard time once and helped me get medicine for my mother when she was sick with cancer. I will miss her a lot.
