

Tavian James O'Brien

February 9, 1998 - January 4, 2022

Tavian James O'Brien passed away suddenly January 4, 2022 due to a motorcycle accident on Belvedere off of 441. Leaving behind his Mother; Erin O'Brien, Father; Tracy Klinedinst, little sister; Bailey O'Brien and all his beloved family and friends.

Growing up Tavian was a flower growing from the concrete, despite dealing with depression at a young age he was able to conquer his battle and did so by finding a love in cars and motorcycles, some would say it was his passion.

He attended Royal Palm Beach Elementary, Crestwood Middle School, Maritime Academy, and wrapped up his education as a part time college student at Palm Beach State.

Tavian's drive is what made him so honorable, he started working at the age of 13, it wasn't until he was 21 that he was able to have the opportunity to work in an industry that he had a real passion for. He began painting and wrapping cars at Paint Lux with his father, where he excelled very quickly, and moved onto being an independent contractor at RimFX, approximately three months ago he landed an amazing job at DentWizard at the Manheim Auto Auction. He was so prideful of this new job. His goal was to be a self-proclaimed millionaire by the age of 25 and retired by the age of 40.

Tavian spent most of his free time in the gym, wrapping cars with his friends, researching information, or at car meets and shows with his friends.

Everyone was so proud of where he was in life, and where he was going.

Tavian will be dearly missed and his memory will forever be treasured by many.. our flower that grew from the concrete.

“ We have known Tavian and the O’Brien family for about 15 years now. He was just a little boy when we hired Erin to join our Mario the Baker family. We have watched him grow into a nice young man and we’re very impressed with his passion for cars and trying to do well for himself. I know he will be very much missed by all his family and friends. Heaven has certainly gained an angel but his loss will leave a void in the lives of many. Gone too soon. He had so much life to live. Our thoughts and prayers are with the O’Briens during this difficult time. 💔

“ I was blessed to know Tavian practically his whole life. He was like the son Ted and I never had and a brother to my daughter, Shannon who was born exactly 2 months after his baby sister, Bailey. The 3 of them caused a lot of mayhem and they were always plotting something. He was your typical little boy getting into everything and he grew up to be an amazing young man who was on his way to wonderful and amazing things. When he did something he put 110% into it, he never did anything half way and he accomplished so much in his way too brief of a life. He was the happiest I had ever seen him and I'm grateful he was able to take that energy with him. To say that you will be missed is a huge understatement. You have left a hole in my heart that will never be filled and I know everyone, and I mean absolutely everyone that was blessed to know you and share your life feels the same. The holidays, family vacations and outings will never be the same, but we will hold you in our hearts and take you with us everywhere we go. I feel honored to know you are watching over us Tavian. Ride in peace...til we meet again. Love you and miss you more than you'll ever know.
